

TAKE THE EXTRA STEP FOR SAFETY

NOTICE

**NEVER LEAVE ANY ITEMS VISIBLE IN
A LOCKED OR UNLOCKED VEHICLE**

Never leave valuables, including GPS devices, cell phones, audio systems, cameras, computers, packages, etc. in plain sight. Leave them at home or lock the items in your trunk before driving to where you plan to park.

Keep your car doors locked while driving and when the vehicle is parked, even while it is parked in your driveway.

Park in well-lit areas. Observe your surroundings as you leave your vehicle.

Always check the back seat before entering the vehicle.

If you are followed by another car, blow your horn and go to the nearest open gas station, store, police or fire department. Draw attention to your car in a safe manner.

If someone threatens you while you are in your car, blow the horn in short bursts to attract attention.

Keep your car in good working order and fueled with a sufficient quantity of gasoline. Keep a flashlight and reflectors handy.

Stay alert. Report suspicious behavior or vehicles to the police.

**Report All Suspicious Persons and
Activity to the Southern Pines
Police Department
910-692-7031**
