MEMORANDUM FOR RESIDENTS OF THE TOWN OF SOUTHERN PINES (TOSP)

SUBJECT: Scheduled Road Closures

A road closure on Fairway Drive between Azalea Rd. and Central Dr. (NC-22), needed for a planned TOSP Waterline Replacement Project, is scheduled to begin the week of February 6th. The closure is anticipated to last approximately 2 weeks. See attached map.

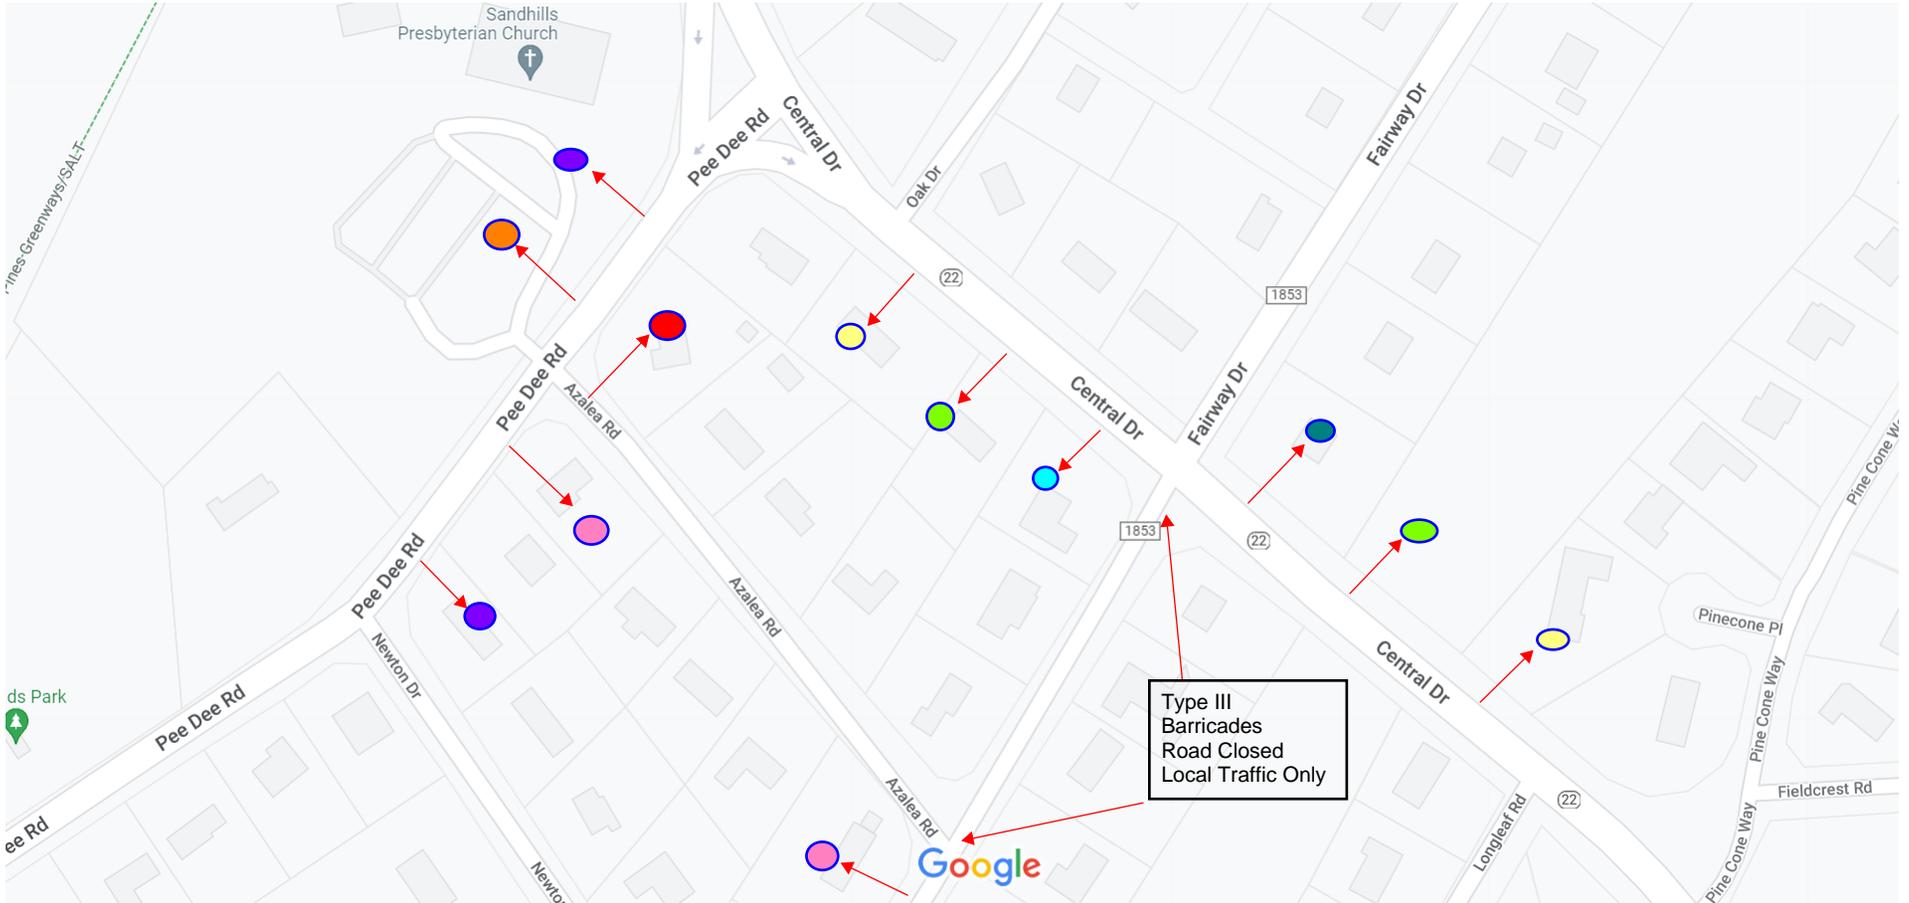

Please observe all traffic control signage and watch out for work crews. You may need to adjust your schedules & driving routes accordingly.

Note: this work is part of an ongoing 8-12 month project, taking place along the route of Fairway Dr. (beginning at Central Dr.), to Crest Rd., to Serpentine Dr., to Pee Dee Rd., to Midland Rd., and ending at a point along West Pennsylvania Ave. between Crest Rd. and W. Connecticut Ave.

Updated road closure notices will be provided on a weekly basis.

We apologize in advance for the inconvenience. But closures are sometimes necessary for proper utility maintenance and system upgrades. For further information, please call TOSP Public Works – Engineering at (910) 692-1983, weekdays from 8:00am to 5:00pm.
