

**PUBLIC SERVICES DIVISION
SOLID WASTE MANAGEMENT**

DISABLED CONSIDERATION REQUEST

In order to protect public health, ensure adequate recycling collections and prevent undue hardships to the aged, handicapped and disabled, the Public Services Director, or designee, is authorized to vary the requirements of the placement of the recycling bin at curbside for collection after conducting a thorough investigation and finding that there is no person living within a particular residence unit who is physically capable of placing the recycle bin in the required location for pickup.
