

LEARN AND CONNECT AT SOUTHERN PINES PUBLIC LIBRARY THIS FEBRUARY

Are you curious about the internet but have no idea where to begin? Come to our **Internet Basics** program on Friday, **February 7 at 11am**. Contact msilva@sppl.net for more information.

It's time to get wild and free as we explore **Art Journaling with Marie French!** Bring a few mementos, photographs - other supplies will be provided. We will use this time to play and create; no experience necessary. **February 9 at 2:30pm**.

Set your garden up for success at SPPL's **Seed Swap**, hosted by Shawna Fink! Bring seeds and trade them for more, chat with fellow gardening enthusiasts, and share questions and tips. **Sunday, February 16, 2pm**.

Join us for **A Worthy Paws**, a panel discussion with local rescue organizations as they share their mission, challenges, and the impactful work they do to save animals in need. **Saturday, February 22 at 10:30am**.

Put a Freeze on Winter Fires

Home fires occur more often in winter than any other season. As you stay warm during this season, SPFD reminds you to be fire smart.

- Keep portable generators outside, away from windows, and as far away as possible from your house.
- Have a qualified professional clean and inspect your chimney and vents every year.
- Keep anything that can burn at least 3 feet from any heat source like fireplaces, wood stoves, radiators, or space heaters.
- Plug only one heat-producing appliance (such as a space heater) into an electrical outlet at a time. Never plug a heat-producing appliance into a surge protector.
- Test your smoke alarms once a month.

SPRING/SUMMER PROGRAM GUIDE AVAILABLE NOW!
