

For Immediate Release:

**Nominations for
“Sprucing Up Southern Pines” Awards
Now Open**

Local property owners may nominate their neighbors or themselves for the “Sprucing Up Southern Pines” awards beginning March 1, 2020. The awards are presented to encourage community improvements, enhance our Town’s visual image and economic vitality.

The award is an honorable designation given by the Town of Southern Pines each year to businesses and residences, who have made an effort to clean, repair, improve and enhance the overall aesthetics of their property. Anyone may submit a nomination and self-nominations are encouraged.

Winners are awarded a temporary sign for their property and a permanent certificate recognizing their contribution to the community.

Appearance Commission members consider both businesses and residences that consistently maintain their properties as well as those who make substantial improvements to the exterior of their buildings and/or landscape during the last year.

Nominations are open March 1, 2020 through May 15, 2020. Winners will be publicly recognized at the Town Council Regular Business meeting on August 11, 2020.

Find the nomination form and directions for submission on the Town website at: <https://www.southernpines.net/139/Appearance-Commission>

The submittal requires filling out a form and the inclusion of a few photographs. Submittals are due by May 15, 2020 and may be emailed to Town of Southern Pines Assistant Town Manager Chris Kennedy or dropped off at or mailed to the Town of Southern Pines Administration office located at 125 SE Broad Street, Southern Pines, NC 28387.

Contact: Chris Kennedy, Assistant Town Manager at kennedy@southernpines.net.
